

Cutline:

On October 8 at Cane Creek Park, volunteers and their families from all three UCHRA CASA (Court Appointed Special Advocates) programs (Cumberland, Overton, and Putnam) attended a picnic in their honor. These volunteers advocate for the children in the care of the Department of Children Services due to abuse and/or neglect. Volunteers are appointed by the Juvenile Court Judge to investigate and bring fact based information back to the courts to enable them to make the best possible decision on the future of the children.
